Big Note: I'm left handed; all pictures are shown with left  
handed progress unless otherwise stated. Pattern works for  
both left and right-handed crafters.

Another Note: be sure to use a stitch marker to mark the  
beginning stitch of each round to keep your place. It is very  
important to keep track of every round.

When working in rounds do not sl st at end of round or chain 1 unless stated.
